We looked beyond the horizon and into the infinite. The "MADE FOR THE SOUTH" collection is born from a simple question: what if your space had no boundaries? This is more than a tile; it's a new dimension. A surface forged with the vastness of a galaxy and the brilliance of a supernova, crafted for those who build worlds.

www.stonegranito.com

Discover a new dimension in surface design with our premium Glazed Vitrified Tiles (GVT). Crafted with an impressive 15mm thickness, these tiles are engineered for exceptional durability and robust performance, promising a lasting foundation for any interior. The generous 1200x1800mm slab size minimizes grout lines, transforming spaces into expansive, uninterrupted canvases that exude a sense of grandeur and seamless sophistication.
